

Psalms 78:1-8 HCSB

My people, hear my instruction; listen to what I say. I will declare wise sayings; I will speak mysteries from the past—things we have heard and known and that our fathers have passed down to us. We must not hide them from their children, but must tell a future generation the praises of the Lord, His might, and the wonderful works He has performed.

He established a testimony in Jacob and set up a law in Israel, which He commanded our fathers to teach to their children so that a future generation—children yet to be born—might know. They were to rise and tell their children so that they might put their confidence in God and not forget God's works, but keep His commands. Then they would not be like their fathers, a stubborn and rebellious generation, a generation whose heart was not loyal and whose spirit was not faithful to God.

Developing your child's faith is essential to your child's future!

Faith must be fueled not forced.

2 Timothy 1:5-6 NLT

I remember your genuine faith, for you share the faith that first filled your grandmother Lois and your mother, Eunice. And I know that same faith continues strong in you. This is why I remind you to fan into flames the spiritual gift God gave you when I laid my hands on you.

Deuteronomy 4:9 HCSB

Only be on your guard and diligently watch yourselves, so that you don't forget the things your eyes have seen and so that they don't slip from your mind as long as you live. Teach them to your children and your grandchildren.

Faith is both caught and taught.

Deuteronomy 11:18-21 NLT

So **commit yourselves** wholeheartedly to these words of mine. Tie them to your hands and wear them on your forehead as reminders. Teach them to your children. Talk about them when you are at home and when you are on the road, when you are going to bed and when you are getting up. Write them on the doorposts of your house and on your gates, so that as long as the sky remains above the earth, you and your children may flourish in the land the Lord swore to give your ancestors.
