

SEEK GOD  
FIGHT FAIR  
HAVE FUN  
STAY PURE  
NEVER GIVE UP

Fighting in your marriage isn't the problem,  
But how you fight could be!

James 1:19 NLT

Understand this, my dear brothers and sisters:  
You must all be quick to listen, slow to speak, and slow to get angry.

Seek to hear, not just to be heard!

...You must all be quick to listen... James 1:19

Proverbs 18:2 NLT

Fools have no interest in understanding; they only want to air their own opinions.

Shut down your mouth, turn on your brain!

...You must all be quick to listen, slow to speak... James 1:19

Proverbs 21:23 NLT

Watch your tongue and keep your mouth shut, and you will stay out of trouble.

Control your anger, don't let it control you!

... You must all be quick to listen, slow to speak, and slow to get angry. James 1:19

Proverbs 29:11 NLT

Fools vent their anger, but the wise quietly hold it back.

Fighting to win in marriage is never a winning proposition!  
Instead you should fight for a win in your marriage!
